

NORTHLAND

UPHOLSTERY

Made Beautiful

Northland Furniture has been a manufacturer of quality crafted casegoods for the hospitality industry for 50 years. We are pleased to announce we are enhancing this tradition with our new upholstery division.

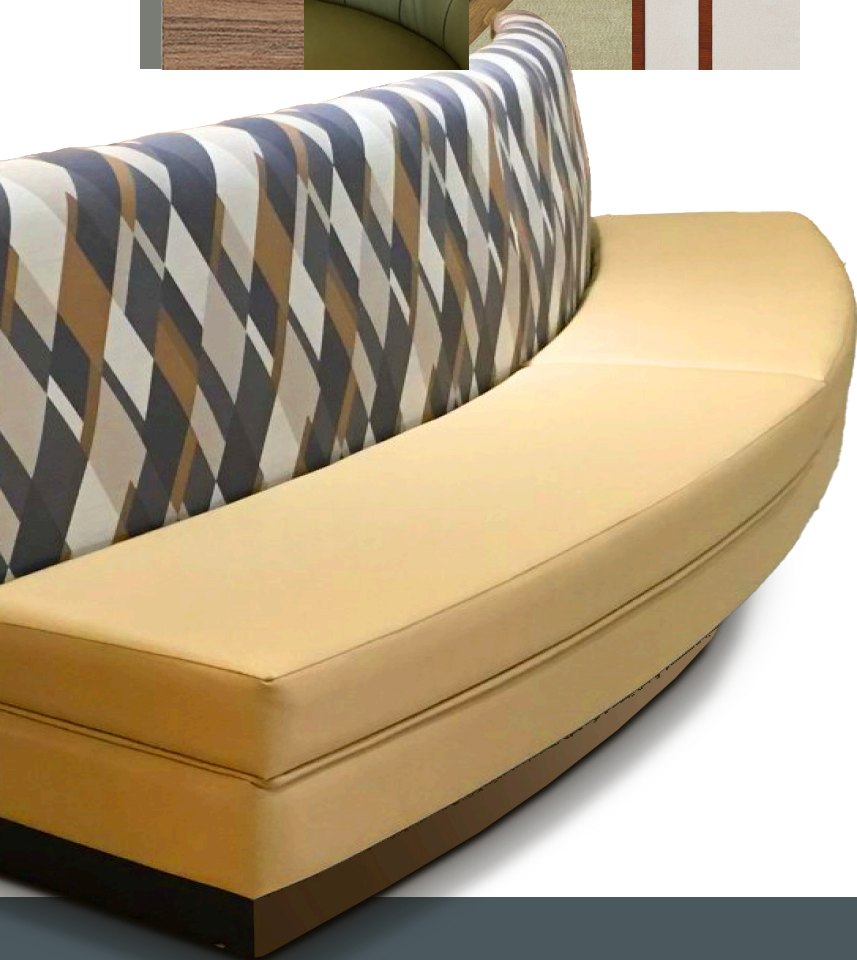

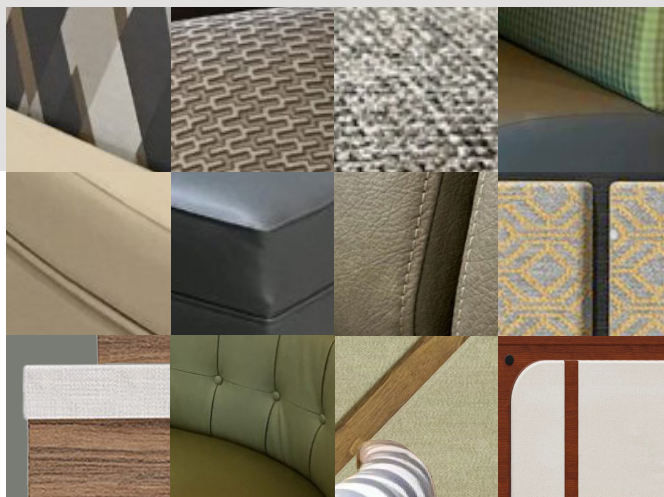

Products include benches, lounge chairs, sofas, headboards, and more available in a wide selection of materials.

UPHOLSTERY

Made Beautiful

Built to architect's and designer's specifications and standards for commercial construction and durability.

 NORTHLAND

Headboards are available in a variety of styles and materials.

The upholstery division delivers the quality and reliability you have come to know with Northland but extends our capability to include the food and beverage spaces, new items for guestrooms, the hotel lobby, event spaces, senior living, healthcare, office, and retail.
